Delaware County Council would like to thank you for your participation in the Delaware County Veterans Photo ID Card Program offering a discount on products or services to any veteran who presents a Delaware County Veterans ID card.

This is just one way County Council can show our appreciation for Delaware County's nearly 40,000 veterans of all ages who bravely served our nation in all branches of the military.

This program is a great example of how County Government can partner with members of our business community to provide a benefit for our veterans.

Council extends our sincere gratitude for your involvement in this program, providing an opportunity for many veterans to receive this discount from your local business.

Thank you for your cooperation and support for our veterans.

Sincerely,
